

# SUPERSLIM POWER SUPPLY 60W 12V

Zasilacz Superslim / Energieversorgung

60W

12V

## TECHNICAL DATA DANE TECHNICZNE / TECHNISCHE DATEN

|                                                           |              |
|-----------------------------------------------------------|--------------|
| Input voltage<br>Napięcie zasilania / Spannungsversorgung | AC 170 -230V |
| Rated Voltage<br>Napięcie / Nennspannung                  | 12V          |
| Power consumption<br>Moc znamionowa / Nennleistung        | 60W          |
| Dimensions<br>Wymiary / Größe                             | 310x18x18mm  |

|                                                              |            |
|--------------------------------------------------------------|------------|
| Working Temperature<br>Temperatura pracy / Arbeitstemperatur | max. 65° C |
| IP Rating<br>Stopień ochrony IP / IP-Klasse                  | IP20       |
| Warranty<br>Gwarancja / Garantie                             | 24 months  |
| Certifications<br>Certyfikaty / Zertifizierungen             | CE         |

12V 60W
